

EKG Stables Summer Day Camp Information

Riding Camp/Horse Care \$400

Campers will be taught the skills associated with Hunt Seat Equitation. Open to all levels of riders ages 7-18. The camp includes 1-2 lessons per day, horse care time in the barn, a talk with a farrier, dentist, and/or vet, crafts, and on some hot days some time to cool off in the pool. At the conclusion of week 1, riders can compete in a horse show here at EKG Stables (entry fees to be paid separately). This camp would benefit the child that is ready to learn to ride at a competitive level as well as educate them about the work and dedication associated with the care of the horse.

This camp is offered July 8-12. The hours of camp are from 9am to 4pm Tuesday-Friday, Saturday morning 9-12, and Sunday by ride times. Early drop off/late pick up can be arranged for an extra fee of \$10 per day.
